Year 10 Essential Information Meeting

Dear Parents,

As students move into a critical point in their secondary education it is vital that we gather to cover some very important information necessary their Year 10 studies, their senior year at Sacred Heart and their future pathways.

Sacred Heart will be holding a Year 10 Essential Information session at 5:30 pm on Monday 17th of February for parents and students in Year 10.

This session is aimed at providing information and guidance to both Year 10 students and their parents about the processes and requirements of attaining a RoSA (Record of School Achievement) but will also address assessment and study requirements for Year 10. Families will be provided important paperwork for Work Experience and hear from Hennessy Principal Kathy Holding. Students in Year 10 are encouraged to attend the session as part of their growing responsibility for their future pathways.

The session will be followed with a BBQ provided by Hennessy Catholic College for our Year 10: 2019 and 2020 cohorts and their families. This is a great opportunity to talk with staff and current students and become more aware of the Hennessy Pathway. Please indicate whether you will be present for catering purposes below.
