31st January 2020

2020 Primary Archdiocesan Representative Sport

Dear Parents,

Each year our students have the opportunity of participating in trials for representative sport. For swimming, athletics and cross country trials the first level is our school carnivals. In regards to other sports the students in Stage 3 who display ***talent and high skill development*** in a certain sport are encouraged to attend trial days for those sports. Please take the time to look over the range of sports available for representative level and discuss them with your child.

Please take into consideration before nominating any sport:

- Trials are held in different parts of the diocese.
- **To nominate your child, it is the responsibility of the parents to nominate their child online using the website www.csnsw.sport (Please see over the page for parent account setup instructions).**
- It is the responsibility of parents to provide transport and supervision for their child at the trials.
- Most trials are diocesan based and therefore open to Years 5/6 primary students from across the Archdiocese.
- Only students of high skill level and talent progress to the next level.
- Most teams are open teams and therefore target 12-13 year old students.
- There is a trial fee payable when nominating your child.

If you require any further information or have any questions, please do not hesitate to contact me.

Kind regards,

Mrs Natalee Litchfield
Primary Sports Coordinator

Mrs Katie Thompson
Assistant Principal
