

From the start of Stage 3 (Year 5), students are required to have their own iPad as essential equipment for use in the classroom and for home learning tasks.

At the beginning of the year, your child will be able to load an application from the school for free, that will contain the required apps that are used at school.

Minimum specifications

Please click on this [LINK https://support.apple.com/en-au/guide/ipad/ipad213a25b2/ipados](https://support.apple.com/en-au/guide/ipad/ipad213a25b2/ipados) to view a list of iPads that are suitable for use (Device must support iPadOS17).

- 64GB storage (or more)
- A durable case
- A Wi-Fi only model will reduce the cost of the device
- Battery still lasts the day if second hand
- Space for required applications as set out by the school.

We recommend that all personal electronic devices are insured against accidental damage, loss and theft. You can either:

- include the iPad on your home and contents insurance.
- contact an insurer that offers specific student device cover products.

If you have any questions or require further support please do not hesitate to contact the school. It is very important that as parents/guardians you are aware of our expectations and requirements for the safe and successful operation of the iPad in the classroom and at home.
